About Days of Wonder

Days of Wonder develops and publishes unique games in their genre. The company's "Play Different" slogan reflects its vision of publishing: Days of Wonder limits its productions to very few new games, focusing on quality rather than quantity, and developing highly refined digital adaptations. The unparalleled successes—such as *Ticket to Ride®*, the world's best-selling train game; *Small World®* and its epic conquests in a fantastic universe; and *Memoir '44®*, the World War II reference game with over twenty expansions—motivate Days of Wonder to raise the bar ever higher. Days of Wonder board games are distributed in 40 countries and their digital versions are available on the App Store, Google Play, Steam, and the Days of Wonder website at www.daysof wonder.com.
